EMBASSY OF THE
UNITED STATES OF AMERICA

No. 436

The Embassy of the United States of America presents its compliments to the Ministry of Foreign Affairs of Ukraine and has the honor to provide the following response to the Ministry's diplomatic note 414/23-196/51-1179 dated June 20, 2002.

The Embassy acknowledges receipt of the Ministry's Notes Nos. 324/20-196/51-618 dated April 20, 2001 and 414/23-196/51-1179 dated June 20, 2002, informing the Embassy of the delegation of responsibilities pursuant to Article II, Paragraph 1 of the Agreement Between the Department of Defense of the United States of America and the Ministry of Defense of Ukraine Concerning the Provision of Material, Services, and Related Training to Ukraine in Connection with the Elimination of Strategic Nuclear Arms, dated 5 December 1993, as Amended 18 December 1993, 21 March 1994, 1 April 1995, 27 June 1995, 4 June 1996, 1 May 1997, 12 June 1998, 10 July 1999, 28 July 2000, 4 December 2000 and 9 September 2002, and Extended 31 January 2001 (SNAE Agreement), and informing the Embassy of the change of Executive Agents in Ukraine under Article II of the Agreement.

Between the United States of America and Ukraine
Concerning Assistance to Ukraine in the Elimination of
Strategic Nuclear Arms, and the Prevention of
Proliferation of Weapons of Mass Destruction, dated 25
October 1993, as Amended and Extended (Umbrella
Agreement), and proposing that Article II of the
Umbrella Agreement be amended to reflect that change.

In order to permit the establishment of more than
one Executive Agent under the Umbrella Agreement the
Embassy proposes instead that the first sentence of
Article II be amended by replacing the words "an
Executive Agent" with the words "one or more Executive
Agents". The first sentence of Article II would
therefore read as follows: "Each party shall designate
one or more Executive Agents to implement this
agreement."

The Embassy further proposes that the applicable
sentences of Article II be amended accordingly to
read: "For Ukraine, unless Ukraine notifies the United
States of America otherwise, the Executive Agent shall
be the National Space Agency of Ukraine in the areas
of the administration of disassembly of ICBMs at
Conversion or Elimination facilities, solid propellant
disposition from missile stages, and elimination of
ICBM components, production facilities and equipment,

and the Ministry of Defense for all other matters. For the United States of America, unless the United States of America notifies Ukraine otherwise, the Executive Agent shall be the Department of Defense."

If this proposal is acceptable to Ukraine, the Embassy proposes that this note together with the Ministry's note in reply shall constitute an agreement between the United States of America and Ukraine, which shall enter into force on the date of the Ministry's note.

The Embassy of the United States of America avails itself of this opportunity to renew to the Ministry of Foreign Affairs of Ukraine the assurances of its highest consideration.
